Flawlessly straight when inspected from behind, uniform bend of stifle.
Abundantly covered with hair

PAW PADS:

Black - pink mixed

NAILS:

Black - white mixed

WEIGHT:

Upto 4kg

ERRORS:

Any difference from the former points is considered a fault and the assessment of the seriousness of the fault should be in proportion to the extent to which this error occurs and its impact on the health and welfare of the dog.

PERMITTED ERRORS:

Ears more widely spaced ears with a faintly rounded shape, a minimal amount of gold in the hair on the legs and tail, absence of white collar, incomplete denture if jaw size doesn't allow for all teeth, a weight below 3kg and over 5 kg are not excluded for breeding but they must be considered a fault.

UNAUTHORIZED ERRORS:

Protruding ears, upper overbite, under overbite, incomplete dentition when the jaw provides enough space, a weight exceeding 5 kg, retained testes (not descended), Dogs with these errors are, however, suitable for the beauty ring and for practicing sports but not for breeding.

Any dog that without a doubt shows physical and / or behavioral abnormalities shall be disqualified.
